Dear Barton,

I wish to bring to your attention that "International Press Correspondence", the official organ of the III International, is now published by the Unthanks Bookshop, 31, Dudden Hill Lane, London, N.W. and printed by Tonbridge Printers Limited, Peach Hill Works, Tonbridge, Kent. The removal of the publishing house of International Press Correspondence to England is undoubtedly due to the anti-Communist activities of the Nazis in Berlin where it was published previously.

Yours sincerely,

J. Barton, Esq.,

British Consulate-General.
